- 1) Going through these [videos](#) to learn how to answer your friends' questions while convincing them to enroll for Internshala Trainings
- 2) Using this [PDF](#) to check answers for your friends' most frequently asked questions
- 3) Sharing these training [overview videos](#) with your friends of trainings' relevant to your streams. These videos will help them understand a brief of concepts involved in the

training

Secret tips and tricks by Past performing ISPs -

- **ISP Ayush (Post Graduate College, Dharamshala):** Secured 46 referrals by promoting specific courses to friends likely to be interested (e.g., Web Development for CS students, AutoCAD for Mechanical students).
 - **ISP Archak Gosh (JIS College):** Secured 35 referrals by contacting class representatives and faculty, asking them to share his message with all students.
 - **ISP Sarfaraz (Future Institute) -** Mentioned important perks of Internshala Trainings like earning college credits via projects, free placement assistance with every training, high-industry value certificate, limited period offer, etc. He read the marketing kit carefully to understand how to convince his friends.
 - **ISP Jaydeep (LD College of Engineering):** Created a broadcast list of 250+ students on WhatsApp and shared his personalized message there.
 - **ISP Jelile (Jyothi College):** Followed up with students who signed up but hadn't paid, addressing any concerns they had and convincing them to enroll.
-

Top Trending Queries

Q. How do I perform in this contest?

A. Spread the message via social media (WhatsApp, Email, Facebook, etc.) using the "Tell your friends" button in your email. Share the message with your college peers directly.

Q. How can I track the number of trainings sold by me?

A. You can track the number of referrals on the 'Training Summary' page in the 'My Rewards' section on your dashboard.

Q. How will the ISP team track my performance?

A. Your unique referral link helps us track the payments made through your efforts.

Q. What is a traffic session?

A. A traffic session occurs when a friend clicks your shared link and visits the Internshala Trainings website. If 50+ unique visitors use your link, you will receive 2 ISP points.

Q. Can I share my link with students outside my college?

A. Yes! You can share your link with students from different colleges too.

Q. My dashboard isn't updating. What should I do?

A. Make sure your friends are using your referral link to make payments. If the issue persists, drop us a query via the Help Center.

Q. Where do I update my bank account details?

A. Visit the "My Reward" section on your dashboard and update your bank account details.

Q. What's the difference between a sign-up and a payment?

A. A sign-up occurs when a student registers using your link. A payment/enrollment happens when the student purchases a training. Rewards are only processed for payments.

Q. How can my friends manage online classes and trainings?

A. Let them know that most trainings require only 2-3 hours per week. They can also choose flexible batches based on their convenience.

Q. I have more questions regarding the contest - what should I do?

A. log in to your [ISP dashboard](#) and visit the help center. You can also write to us (send us an email) via the 'Need further assistance' tab on your ISP [help center](#).
